The Council shall not be liable for any loss, damage or injury arising out of the use of or failure of the equipment or any defect in them save for the liability in respect of death or personal injury, which arises from our direct negligence.

The Council will do everything reasonably practical to prevent injury to individuals and to protect employees and property in general. Hirers of our areas must take responsibility for health and safety and abide by the appropriate regulations and codes of practice.

WEATHER

It is the decision of the hirer whether it is safe for equipment to be assembled in cases of high winds, or adverse weather, and if, once delivered/erected by SCC, the hirer cancels the event early the equipment must remain attended until such time as we arrive to collect.

If weather conditions are variable it is the Hirer's responsibility to make an assessment of conditions throughout the hire period and take any necessary precautions (such as adding / re-securing weights, removing sides, lowering completely or calling the council to arrange early collection – subject to resource availability).

GENERAL

The Hirer shall not use any electrical, gas or powered equipment of any kind inside of or in close proximity to the structures without prior written permission of the Council or by prior arrangement.

The hirer shall not tamper or modify with any of the equipment provided and agree not to affix, suspend or place upon the structures/equipment any item whatsoever (including additional side sheets) without prior written permission of the Council or by prior arrangement.

A hirer shall provide adequate insurance to the Council's satisfaction to cover such indemnity and must produce to the Council's officers on demand evidence of third party public liability insurance to a minimum of £5,000,000 or sign to say they accept the disclaimer and that it is understood that the hirer is fully aware they are liable for any claim that may arise.
